1

Beautiful!

🕒 26 min
🕒 16.2 km

Kosakiyama Observatory

The overlook commands a view of the East China Sea. You can also see Mt. Kinpo, Fukiagehama, and the Koshikijima Islands in the distance. The setting sun glimmering on the coastline is also a beautiful sight.

📍 Kataura, Kasasa-cho, Minamisatsuma-shi
☎ 0993-53-2111 (Minamisatsuma City Tourism Exchange Division)

2

Ganjin Memorial & James Bond Shooting Location Monument

This is where Ganjin, a priest from the Tang Dynasty in China, landed. You can learn about his travels and achievements here. The memorial hall features an observation area where you can look out over the coast where Ganjin washed ashore. The 1967 Bond film You Only Live Twice was shot in Bonotsu. The signature of Sean Connery is also carved into the monument.

Continue to DAY 2

3

Kasasa Ebisu

A chic hotel at the foot of Cape Noma-misaki. You can see and experience the beautiful sea of Kasasa. You can also taste plenty of locally caught fresh fish.

📍 14847-1 Kataura, Kasasa-cho, Minamisatsuma-shi
 ☎ 0993-59-5020

4

Kasasa Ebisu Sunset Cruise

Climb aboard a fishing boat and take an evening cruise around the cape. The sight of the coastline glimmering from the sun setting over the East China Sea is not to be missed.
